## PUTZ AROUND TOWN

JC Putz here...

Old Putz here has been my usual snoopy self this month. I happened to be digging through our editors' office looking for something to eat when I came across a recording of **Jennifer Swinney** with **Engineering Safety Consultants** at a recent NA-WIC meeting. She was giving a presentation to the group about the joint golf tournament with Builders Exchange.

She was hysterical describing why she thought she was perfect for the committee the first year since she had been golfing forever. Of course her golfing was through windmills and alligator things at the miniature golf course.

She is so funny she needs to tell Teddy boy goodbye and go on the comedy circuit. If you want a copy of the recording please send a self-addressed envelope along with \$10,000 and I will send you a copy.
